

THE UPFIT YOU DESERVE

INTERIOR LINERS

DURATHERM

Protect your Metal Walls, Ceilings and Doors.

DuraTherm interior liners are **highly durable, impact resistant, thermal barriers** designed to protect the bare metal frame of your van. Custom cut to fit the walls, ceiling and doors of your van, DuraTherm is proven to maintain the integrity of your vehicle, and preserve its residual value for years to come.

R-VALUE

4-7

COLOUR

**DARK GREY
OR WHITE**

THICKNESS

6MM

PROTECT YOUR BARE METAL VAN

DuraTherm protects your van from dents, dings, damage, and exterior temperatures. Industry-leading, field-proven and precision-fit to your exact vehicle, DuraTherm liners are trusted to protect fleet vans across all industries.

Because of their extreme durability, you can maximize the lifespan and increase the resale value of your vehicle. Stop losing money on leased vehicles and protect your assets today!

Available Kit Options

Wall Liners

Ceiling Liners

Door Liners

**DuraTherm liners are available for individual order but are recommended as a full line kit for maximum performance*

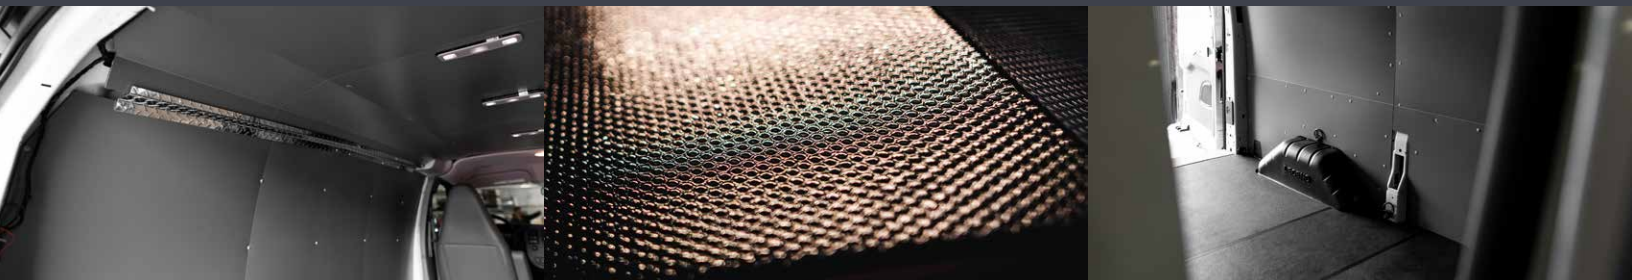

KEEP IT COOL

Ceiling liners create a “thermal barrier” between the cargo space and the van metal panels – preventing exterior temperatures from leaking into (and out of) your van.

DURATHERM TESTING

| Physical Properties | Value | Physical Properties | Value |
|---------------------------------|----------------------------|-----------------------------|-----------------|
| Surface Weight | 2120 ± 160g/m ² | Impact Resistance at 23°C | No Effect |
| Thickness | 9.6 ± 0.2mm | Impact Resistance at -30°C | No Effect |
| Flexural Break Resistance | > 4.0 N/mm ² | Flame Propagation Speed | < 100 mm/mn |
| Flexural Modulus | 1100 MPa | Chemical Resistance | Typical from PP |
| Hardness | > 30 shore D | Smell | No odour |
| Dimensional Variation 22H, 70°C | < 0.5% | Volatile Organic Components | Not detectable |
