## BUILT FOR A LIFE ON THE ROAD

StabiliGrip is fully equipped to handle anything the road (or you) throws at it. **Impact and puncture resistant, chemical resistant, moisture resistant and extreme temperature resistant**, StabiliGrip is an all-around protective juggernaut for your van.

### Available Flooring Options

Available for most Vehicle Models

*\*Some exclusions may apply - to confirm availability, visit our website or reach out to a sales rep*

## SAVE THE SLIP-N-SLIDE FOR SUMMERTIME

StabiliGrip minimizes slip hazards and chances of shifting cargo, making it easy for drivers to work with.

With the highest co-efficient of friction (grip) of all rigid floors, even when wet, StabiliGrip is an industry leading solution for large mobile fleets across North America. Most floors lose 80% of their grip when wet - StabiliGrip only loses 20%.

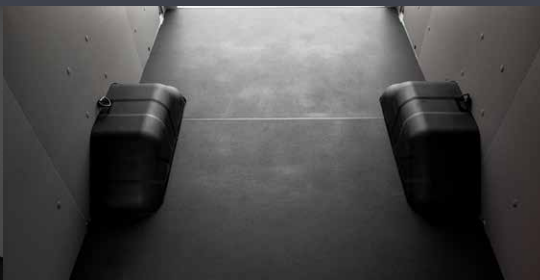

## SUSTAINABLE

StabiliGrip is made of over 75% recycled materials, and fully recyclable at the end of it's life. That's Legendary!
